Profile

My name is Amanuel I'm a Dedicated and self-taught Frontend Web Developer with a passion for creating visually appealing and user-friendly websites. Proficient in HTML, CSS, and JavaScript, with a keen eye for design aesthetics and a strong commitment to continuous learning and improvement. Eager to leverage acquired skills and enthusiasm to contribute to dynamic projects and gain practical experience in the field. A proactive problem-solver with excellent attention to detail, communication skills, and a drive to excel in the ever-evolving world of web development.
